site. We haven't taken anything away from the power companies. We haven't taken anything away from anybody who can be opposed to the amendment. You really have got to prove to me that this amendment is not good. I can't see where it hurts one person. The only thing it can do is provide good and provide community consent and provide the input that these people have asked for all this time. It is a simple duty to the citizens of this state. There can be no reason that I can see to not support the amendment. I appeal to your sense of decency and your sense of respect for the people of this state to support this amendment. Thank you.
